

# FAST SLING PUCK

## game rules

- Each player starts with five pucks on their side of the board.
- Clap hands with your opponent three times to begin the round.
- With only one hand on the board, use the elastic to sling shot your pucks into your opponents side of the board.
- If a puck flies off the board, the game cannot be paused. The player who shot that puck must go and retrieve it.
- The first player without pucks on their side, wins!
